## **Explanatory Note**

(This does not form part of the notification, but is intended to indicate its general purport.)

It is noticed that in matters where there are more respodents than one, the copies of counter affidavits filed by the separate respondents are not served on co-respondents. This results in the lack of mutual notice of pleadings and in certain cases lead to apparent contradictions in submissions before the court. The High Court after considering the matter in all its details decided to make necessary amendments in the Rules of the High Court of Kerala.

This notification is intended to achieve the above object.
